CASTLE HILL
EDUCATION SURVEY

Dear Resident,

In order for the local Education Authority to accurately plan for school places at Castle Hill we have to carry out an annual monitoring exercise.

We have therefore, designed the simple survey below which is intended not to disclose the names or addresses of the participants but will help to predict the future requirements for school places.

Your assistance in the completion and return of the survey would be greatly appreciated.

IMPORTANT: Please can you complete the survey even if you have no children.

Date:

Property purchase date YYYY	No Bedrooms	Post Code	No of Children in the household	Child 1 Age	Child 2 Age	Child 3 Age	Child 4 Age	Child 5 Age

Please return this survey to the survey box at the Castle Hill community centre by August 31st.

Thank you for taking this survey!
